

MONTHLY DIGEST OF CURATED TREASURES FOUND AT HABITAT FOR HUMANITY OF HORRY COUNTY  
PRODUCED BY INTERIOR DESIGNERS, **LAUREN RIDDEI + SUSAN SEAGROVES**

# FROSTED STAPLE

Subtle and colorful with a playful silhouette, these glass pillar candleholders are ideal for evening dinner parties or everyday entertaining. Decorate for springtime; add candles or not; your choice!

# READERS DIGEST

Ditch the dust covers when styling with vintage books. Connect all the colors and hues in your room by uncovering book spines that speak to your favorite color story.

# TIMELESS TILE

When faced with a bathroom or kitchen remodel, a tried and true solution for tile selection is to be loyal to the shapes of old; squares, rectangles, and circles, oh yes!
