## WHIMISCAL WICKER

Take your cue from the trendiest bedrooms in town with this coastal bohemian arched headboard. Add a palm patterned wallpaper as its backdrop and you'll be on your way to rave reviews from family and friends.

## LUXE LIGHTING

This concrete style, ribbed terra cotta lamp just needs a coat of matte white paint and a round, paper shade to reinvent it for your home office.

## MATERIAL MATTERS

A modern update of fabric on this vintage daybed would be an easy upgrade with a big impact! Lush, creamy boucle or a shearling and linen combination turns this piece into everyone's favorite lounge by the fire.
