

Since 1990, Habitat for Humanity of Horry County has been built on a foundation of faith. Our mission is to build safe, affordable housing with people throughout our community, and that comes from a desire to put God's love into action.

We are God's hands and feet, here to serve others and show them His love. The tangible experiences that Habitat provides allow you to engage those around you, live your faith and offer a unique opportunity to love your neighbor. You'll also have the opportunity to work alongside future Habitat homeowners.

No experience is necessary to volunteer, and all faith groups are welcome. We will teach you everything you need to know on the build site, and there are a variety of tasks both indoors and outdoors to participate in that require all levels of skill and ability. We also can offer tailored experiences to fit your group such as a focus for students, singles or small groups.

Volunteering together provides a way for your faith group to have fun together while pursuing a common goal. You will be strengthening your community and empowering Habitat homeowners to build a better future for themselves. Your service will also deepen your ties to the neighborhoods around you and provide stability for the community you all share.

We are certain that a difference will be made both in the lives of those you help as well as yourself.
