MONTHLY DIGEST OF CURATED TREASURES FOUND AT HABITAT FOR HUMANITY OF Horry COUNTY
PRODUCED BY INTERIOR DESIGNERS, **LAUREN RIDDEI + SUSAN SEAGROVES**

LOOKING GOOD

This little wooden mirror has a big dose of personality. Vintage and solid, we would place it over a pedestal sink with a fun wallpaper behind it! The slight scoop top style is reminiscent of the Italian Designer, Luciano Frigerio, who loved waves and curves. As do we!

BAR CART UPGRADE

Incredibly stylish, this cute set of three glass tumblers elicits an energetic response. Charmingly adorned with the classic green and purple argyle pattern that became popular in the early 1920s. Makes you want to throw a soiree for golf-lovers and vintage enthusiasts, alike.

GREEN ENVY

Glamour with just a bit of edge, this wingback chair won our hearts! The unexpected pairing of the solid green with floral print would elevate any space it fills, be it a bedroom, den or sunporch. Hello, Ralph Lauren!
