MONTHLY DIGEST OF CURATED TREASURES FOUND AT HABITAT FOR HUMANITY OF HORRY COUNTY  
PRODUCED BY INTERIOR DESIGNERS, **LAUREN RIDDEI + SUSAN SEAGROVES**

## À LA MODE

This month we are highlighting wicker + rattan headboards. Our coastal regional Habitat's are full of pre-loved cottage furniture that must not be overlooked. This sweet headboard would transition well in a child's room, as they go from crib to bed. Add a fluffy white comforter and stuffed animals galore. Wish list!

## SUN, HERE IT COMES

Elevate your bedroom with this extra-inviting wicker headboard. Bursting with personality on its own, we would paint it 'Dayroom Yellow' by Farrow & Ball or simply leave as is by pairing with a pine dresser, a colorful bedside table lamp and great art. Either way, it provides a visual connection to happier days ahead.

## BE OUR GUEST

Refined and neutral yet highly textural, this twin headboard makes a statement! Coastal cottage decor is all about charm and comfort. We love it paired with off-white linens, a seagrass rug and a "one wall" tropical plant wallpaper behind it.
