MONTHLY DIGEST OF CURATED TREASURES FOUND AT HABITAT FOR HUMANITY OF HORRY COUNTY  
PRODUCED BY INTERIOR DESIGNERS, **LAUREN RIDDEI + SUSAN SEAGROVES**

## CHROMATIC ZEN

In a colorful world, the quiet vibe of these dainty taupe glasses feels so appealing! We could see scoops of lime sorbet, fresh fruit or our best option might be a chocolate martini.  
Cheers to new treasures!

## CHAIR COLLECTIVE

Unique, interesting and chic chairs are a great space edition. Imagine this petite metal chair stacked with white bath towels next to your outdoor shower. It went home with us, perfectly placed near a garden with a plant on the seat. Habitat always has riveting chairs to select from.

## PARISIAN APARTMENT

Vintage inspired, this floral + butterfly upholstered settee says stay and play! We would paint the legs a pale yellow and add a cashmere throw in the same shade over one arm.  
Wish list for a foyer refresh or a girls room!
