## **Homebuyer Program**

## **Qualifications of Homeownership**

You must have lived in Horry County for the last 12 months

You must be an American citizen, legal resident, or have the right to work in the United States

Your household income must fall between 35% - 80% of the median level income for Horry County

Your family's annual gross income (before taxes) must be between the minimum and maximum income listed for your family size (see table below).

### Three Main Criteria for Homebuyer Selection

**NEED** for simple, decent and affordable housing, as defined by one or more of the following:

- · Substandard living conditions
- · Unsafe living environment
- · Cost Burdened
- Overcrowded (adult and child or more than two children share a bedroom, or two children of the opposite sex share a bedroom)
- Government Subsidized Housing

### ABILITY TO PAY a 30-year, affordable mortgage:

- No more than \$2,000 in bad debts or debts in collections
- Habitat homes require a small down payment of only \$1,750 which covers a portion of the closing costs
- 3 years of work history with 6 months at current employer

#### **WILLINGNESS TO PARTNER** with HFH of Horry County

- Complete a minimum of 300 hours of "sweat equity" time instead of cash on your home, other Habitat homes, our ReStore and other approved types of Community Service.
- Media coverage is critical to securing funding needed for future Habitat homes.
   Families must be willing to embrace and participate with all forms of media.
   An example of this may be having an article written about your family for a newspaper, or giving an interview to a member of the television media.

Family Size	Minimum Gross Annual Income	Maximum Gross Annual Income
1	\$19,490	\$44,550
2	\$22,274	\$50,900
3	\$25,058	\$57,250
4	\$27,842	\$63,600
5	\$30,070	\$68,700
6	\$32,297	\$73,800
7	\$34,525	\$78,900
8	\$36,752	\$84,000

Guidelines are based on HUD's 2024 housing income guidelines for Horry County and are subject to change.

### Why Become a Habitat Partner Family?

Thanks to the hard work of our staff, donors and volunteers, Habitat for Humanity of Horry County is able to offer the pride of homeownership to those who might not otherwise be able to obtain it. Below are just a few of the benefits Habitat offers our program families:

### Habitat families make a much smaller down payment on their home

To obtain a mortgage, most lenders require a down payment of between 5% - 15% of the total cost of the home. That means to buy an \$100,000 house a family may need to pay the bank up to \$12,000 in cash! For many families, it can be difficult to save the thousands of dollars needed for a down payment on a home.

With Habitat, the only money that needs to be paid upfront is a portion of the closing costs which is \$1750.00. The remainder amount is rolled into the mortgage amount. Habitat helps our families set up a monthly savings plan, so that the funds will be available when it's time to close.

### Habitat families have interest-free mortgages

Banks charge interest on the loans they give, and a mortgage is no exception. While home loans usually have lower interest rates than a car loan or credit card, even a low interest rate adds up over time. A family that buys an \$140,000 home using a 30-year mortgage with a 4% interest rate can expect to pay over \$100,000 in interest by the time the loan is paid off! By not paying interest, Habitat homeowners save thousands of dollars over the course of their loan, money that can be saved for education, retirement or a rainy day.

### Habitat homes are more affordable

Habitat homes are constructed with the help of volunteers and are sold at no profit. This makes a Habitat home less expensive than a similar house on the open market.

#### Habitat looks deeper than your credit score

While Habitat considers your past handling of credit, we also understand that unforeseen circumstances can cause even responsible families to fall behind. The financial toll of an illness or job loss can lead to damaged credit and make it difficult to qualify for a traditional mortgage. Our selection committee is trained to uncover the story behind the numbers so that responsible families that had fallen on hard times are not unfairly penalized by their credit reports.

#### Habitat supports our families both before and after homeownership

Our staff and volunteers work both before and after closing, to ensure that our families are prepared to be successful homeowners. We do this by offering classes on a number of topics including money management, credit counseling, home maintenance and repair. We also work with families to identify their needs outside of housing, and connect them relevant resources in the community.

### **Homebuyer Application Review Process**

- 1. <u>Review of Application</u> Applications are reviewed by the Director of Family Services to determine if the individual or family submitted a complete application and meets HFHHC's eligibility requirements.
- 2. <u>Financial Analysis</u> A credit report is pulled and a complete analysis of income and expenses (included all debts) is completed to determine if the applicant(s) is financially eligible for the HFHHC Homebuyer Program.
- 3. <u>Verification/References</u> The Director of Family Services will verify all references and information provided in the application with the applicant's landlord, employer, bank, social service agency (if applicable), and personal reference.
- 4. <u>Personal Interview</u> Once an applicant has been determined financially eligible for the HFHHC Homebuyer Program they will undergo a personal interview to discuss the program commitments and the responsibility of homeownership.
- 5. <u>Home Evaluation Visit</u> Members of the Homebuyer Selection Committee will visit the applicant's home to understand current living conditions and to access the need for affordable housing. The Homebuyer Selection Committee will also meet with the members of the household at that time.
- 6. <u>Initial Sweat Equity Hours</u> The applicant completes 10 volunteer hours with HFHHC. The goal of the initial volunteer hours is to help the applicant(s) determine if they are willing to donate 300 hours working in partnership with HFHHC.
- 7. <u>Homebuyer Selection Committee Partnership Approval</u> After the above mentioned items are complete, the Director of Family Services along with the Homebuyer Selection Committee reviews the applications to approve applicant(s) to partner for homeownership through HFHHC.
- 8. \*Board Approval Once the applicant(s) is approved from the committee, it is up to the Board of Directors for final approval for homeownership.
