Mission

Seeking to put God's love into action, Habitat for Humanity of Horry County brings people together to build homes, communities and hope.

Safe, affordable homeownership lays the groundwork for families to thrive!

Safe, affordable homeownership lays the groundwork for families to thrive! By not overspending for housing and growing equity in a home they own, Habitat homeowners are better able to build a future with room for growth and opportunity. This effect trickles down to their children who studies show have increased grades and better behavioral outcomes after moving into their Habitat home.

Thank
you!
